## Application for a postponement within the examination session (only for oral examinations)

In justified cases, oral examinations may be postponed within the examination session. In any case, the postponement must be agreed with all responsible examiners and communicated to the Administration Office (<u>master-dbe@unibas.ch</u>) latest 2 weeks BEFORE the original exam date. Your application and the new examination dates will then be examined by the teaching commission. Your application will then be confirmed and approved by email.
