

Application for a postponement within the examination session (only for oral examinations)	
In justified cases with compelling reasons, an oral examination may be postponed within the examination session. Your application for a postponement needs to be handed in latest 2 weeks prior the respective exam and will be evaluated by the teaching commission. You will receive an approval by email within 5 working days. In case of approval* the postponement date must be agreed with all responsible examiners and communicated to the study administration office (master-dbe@unibas.ch) by the student.
